DECEMBER 2019 ~ MONTHLY NEWSLETTER

---

**ORATORY NEWS:** Congratulations to the Fathers and Brothers of the Manchester and York Oratories who were both officially Erected (on the 1st and 9th of November respectively) as autonomous and independent Oratories, after their periods in Formation, which brings the number of Oratories in this land to five (Birmingham, London, Oxford, Manchester and York). Please continue to pray for the Bournemouth and Cardiff Oratories in Formation that our living the life of St Philip, young vocations, financial stability, and the other requisite qualities, will be sufficient for Rome to similarly raise us to autonomous and independent Houses. Pray for Vocations to our Oratory.

**SECURITY** sensors and alarms have been put in place since last month's two break-ins through the Oratory House and into the Church and Sacristy where much damage was done in attempting to smash out the safe. The church wall boxes were similarly damaged - so all votive candle money, for the foreseeable future, should be put into the black & gold pillar by St Joseph's altar (at the front right-hand corner of the church), which is emptied daily. Please pray for the burglars, who were caught fleeing the scene of the crime, and are in prison, awaiting trial.

**THE ACADEMY OF THE ANNUNCIATION** is an exciting initiative that has come upon us much sooner than intended, and on a quite different scale, thus proving itself to be yet another of the God-incidences which are both inspiration and consolation in the midst of other difficulties. To respond to the Bishop's plan for the Oratory to be 'a centre for Catholic Formation for the New Evangelization' (in addition to 'a powerhouse of prayer' and a 'hub for the community') we'd been planning - ready for after the Phase 2 redevelopment of the halls - to be a satellite of the Buckfast Abbey School of the Annunciation (as Fr Peter's previous parish had been a satellite of Maryvale). But the School suddenly closed a few months ago - and you can't be a satellite of something which doesn't exist! This cloud has a silver lining in freeing the redundant academic staff for openings elsewhere, and a mutual friend, (who'd introduced Fr Peter to these two Doctors of Theology in Rome some years ago) suggested that Doctors Christina Pal and Denise Oliver work together with the Oratory to develop this part of the vision.

Under the patronage of Our Lady of Walsingham - 'England's Nazareth' and National Shrine of the Annunciation, and founded in this auspicious Year of the Word, when the Bishops of England & Wales call us to 'Listen afresh to the Word of God, as did our Blessed Lady at the Annunciation' - the Academy is also under the inspiration of our recently Canonised Oratorian Saint John Henry Newman, who called for 'a well-instructed Laity', and is part of the Oratory's intellectual tradition, set up as an independent, self-financing trust, delivering authentic Catholic teaching in study days, three-day courses, and distance-learning, based in our Catholic Institute small hall. Students from this country and overseas are already signing-up for Advent and 2020-21 courses. See back page.

**ORATE (Oratory Redevelopment Appeal - Thousand Expansion)** Fund raising moves on apace, with Phase 2 Planning Permission expected by the end of this month, which paves the way for our pre-prepared Grant Funding applications to be submitted - some of which will match, and others expect, considerable sums to be already raised, so please don't delay beyond Christmas if you aren't yet committed to be part of this as 'One in a Thousand'.

*Jesus cannot be understood without his Mother.* Pope Francis

The place of the Blessed Virgin Mary in salvation history is utterly unique. As good Catholic sons and daughters of Mary, we recite the Angelus and the Rosary. We pray the “Hail Mary” again and again. These study days provide an opportunity to explore more deeply the meaning of that prayer, and the Divine revelation in Sacred Scripture concerning the Blessed Virgin Mary and her role in salvation history – Mary as the New Eve, the perpetual virginity of Mary, her Divine maternity (Mary, the Mother of God), her Immaculate Conception, and her bodily Assumption into Heaven. For those who are parents and catechists, and for all who are ready to answer the call to a new evangelisation, these study days offer a unique opportunity to explore the reasons for our veneration of the Blessed Virgin.

Cost for the Day (including lunch): £49
