1 The Transfiguration of the Lord.

Tue 4 & Thur 6 August. We explore the meaning of this event in the life of our Lord, and in the lives of the apostles, and penetrate its deep significance for our own life of faith and discipleship today. (Feast day: 6th Aug.)

2 The Blessed Virgin Mary - The New Eve and the Queen of Heaven. Tue 11 & Thur 13 August.

We delve into Mary's unique role in salvation history, and the reasons for our veneration of her in this month's feasts of her Assumption into heaven, and her Queenship,

3 The Trinity of the Persons in the One God.

Tue 18 & Thur 20 August. Discover the heart of our Faith, the deep mystery of who God is; why we believe in one God, not three gods; and why we invoke the Trinity whenever we pray making the Sign of the Cross.

4 St Augustine & Catechesis. Tue 25 & Thur 27 August. St Augustine of Hippo is the most quoted Father of the Church in the *Catechism of the Catholic Church*. With last month's publication of new *Directory for Catechesis* we consider his wisdom on catechesis and sharing our Faith, applying key principles as we participate in the mission of the New Evangelization.

5 Angels & Demons. Tue 8 & Thur 10 Sept.

What can we know about them? And does it matter?

6 Getting to know our English Martyrs.

1 St Thérèse & the Little Way - Sure Path to Salvation. Saturday 8 August.

This Carmelite nun died aged 24, yet is a Doctor of the Church, and the patroness of missionaries. Her "Little Way" is a sure path to heaven, not just for the strong and gifted, but for all who wish to follow Jesus.

2 Reasons for Faith in a Scientific Age.

Saturday 15 August. Does Catholic truth contradict the truth of science? Do current scientific theories disprove the Catholic faith? In light of modern science, can we still believe in the existence of God? Does the big bang, evolution, scientific concepts of nature, eliminate the need to believe in the existence of God? Join us for Catholic answers. Come for the truth!

3 How to get more from the Sunday Readings.

Saturday 22 August. parts of different books instead of reading through one book at a time? We discover the Catholic principles for interpreting the Old & New Testaments. How can we best prepare to hear God's Word, and get the most from it, Sunday by Sunday?

4 Introduction to St Thomas Aquinas, Doctor of Doctors. Saturday 5 September.

We learn about his life and work, and how to begin reading his writings.

5 Where is that in the Bible? Saturday 12 Sept.

If non-Catholic friends challenge us about aspects of our Catholic faith, asking, "Where is that in the Bible?" we need to know the Scriptural foundations of our Faith.

6 Justification and Salvation - Catholic Teaching & Non-Catholic Views. Sat 19 Sept.

Non-Catholics may say that we can be saved by faith alone. Is that true? What about works? In this Year of the Word, we invite you to explore what the Bible says about justification and salvation. Discover the reasons for the differences between Catholic teaching and non-Catholic views by examining the Scriptural foundations of the Catholic teaching on these and other questions.

CORONA VIRUS: You must take this home with you, once you have picked it up, and not leave it in the church.
